NOTICE.

To Our English-Speaking Friends:

The Chinese merchants and residents of the Hawaiian Islands, represented by the undersigned, being desirous of providing for their sons a thorough and comprehensive education in English, raised in pledges from August to December, sufficient funds to justify them in undertaking to erect commodious buildings for this purpose in Kamaketa. The contract was let and the main buildingpartially completed, when the plague broke out and interrupted the work. As you well know, our countrymen have been the greatest sufferers from this epidemic and the fires connected with it. Consequently those who generously subscribed toward the school enterprise, being called upon to donate large sums for the relief of their fellow-countrymen who have suffered severely from the fire, find themselves unable to fulfill their pledges at present. The main building is now on the point of completion, and the contractor, himself homeless, is in great need of his money.

In this emergency, and because we believe you recognize that our motives in undertaking this enterprise were philanthropic, our object a commendable one, and that we are in no wise at fault for the straits in which we now find ourselves; we therefore solicit such contributions to our present needs as your benificence will allow. Send all cash or pledges to Wong Kwal, Box 984, Honoluin.

Very respectfully yours.

ANTEDATES CIVILIZATION.

Before civilized man had heard or dreamed of it, Kickapoo Indian Oil was healing the wounds, relieving and curing the aches and pains of the Red Man. Before civilized man had heard of it, it kept the natives in perfect health. And since civilized man has known it, the category ofcur es has become voluminous. No other medicine has made such cures; because Kickapoo Indian Oil is nature's remedy, and nature stands back of it. Your druggist has it, or can get it. Insist on getting the genuine Kickapoo Indian Oil. Hobron Drug Co., agents for
